Interaction on Reports

CURRENT ENGAGEMENT –

Nielsen-Consumer Information Platform(CIP)   **AngularJS8,NodeJS,Bitbucket**

Multiple Extensions of standard AngularJS |
Configurations of standard Applications |
Complex Custom Applications|
E2E Testing |
Scrum Master |
Deep functional knowledge on Retail Business |
Jenkins | Bitbucket |AGILE

Nielsen-SUNSHINE   **AngularJS,D3.js,Bitbucket**

Global Retail Platform |
Configurations of standard Applications |
One Stop for Retail Solutions|
110+ Countries|
POC |Deep functional knowledge on Retail Business |

Nielsen-Data Visualization Framework(DVF)   **D3.js,PhantomJS,VOWS,DITA-OT**

Multiple Interactive Charts and Dashboards |
Cross Platform support (Desktop, Tab, Mobile) |
Complex Design Development |
Documented User and Developer guides |
Scrum Master |
Technical expertise on Visualization |
Visual Data Analytics Exposure

IGNIO   **D3.js,HTML,CSS,Javascripts**

Standard Applications |
AI tool for future |
User Pattern and AIOps |
Charts

Visualization CoE (Center of Excellence)   **D3.js,JsPlumb**

End-to-End for chart from Scratch|
Research on latest Visualization trends|
2 Copyrights on design and development |
Training instructor on D3.js in TCS |
D3.js|JSPlumb |
HTML | BOOTSTRAP |
Custom Designs | Libraries

Allianz(myAGCS.com)

Web Services |
ENHANCEMENTS |OBJECTORIENTED ARCHITECTURE |

Achievements

STAR OF THE YEAR award from clients in 2 successive years.

2 TCS copyrights on visualizations

Best instructor award for conducting various training session on Data Viz

COURSES

The Complete Angular Course: Beginner to Advanced (Udemy Certified)

The Complete Node.js Developer Course (Udemy Certified)

EDUCATION

Bachelor of Engineering in Electronics and Communication 2008 – 2012
